## TO ADD TRANSPORTATION POLLUTION LIABILITY TO A POLICY WITH CGL AND/OR CPL:

- 1. Attached TPL supplement PLUS C&C or CPL application.
- 2. Vehicle schedule
- 3. For all vehicles that haul any type of fuel as cargo we will need to know the size of the tank in gallons and the type of fuel hauled. (This does NOT apply to fuel tanks used for the vehicle itself – only for fuel carried as cargo). NOTE: we will consider contractors vehicles that haul fuel to a job site but do not write bulk fuel haulers.
- 4. Copies of Material Safety Data Sheets (MSDS's) on hazardous materials hauled.
- 5. Automobile loss runs
- 6. MVR's on all drivers.

If Monoline TPL is being requested please use the 4 page Transportation Pollution Liability application instead of this supplement.
