

# CANNABIS

Navigating the insurance landscape within the cannabis industry presents unique challenges for insurance agents. DeCotis collaborates with Blitz, a tech-driven insurer, to simplify Cannabis insurance for the small commercial market. Our comprehensive offerings include General Liability, Product Liability, and Property coverage tailored to Cannabis Retail and Dispensary Businesses, encompassing both cannabis and hemp/CBD stores and catering to both medical and recreational facilities.

We understand that each cannabis business has its own set of complexities. Risks not eligible for online quotes can still be submitted for review by other markets.
