

CYBER LIABILITY INSURANCE IS NOW ONLINE

GET 10+ CYBER QUOTES IN LESS THAN 2 MINUTES

Having cybersecurity liability insurance is crucial for businesses of all sizes. Did you know that the average cybersecurity insurance claim cost for small and medium enterprises is \$345,000? According to recent cybersecurity statistics, 53% of U.S. companies experienced a cyberattack last year, with over 40% of data breaches involving small businesses.

Offer your clients protection from fast-moving cyber risks. Start selling more cyber liability insurance with DeCotis using the Sayata platform.
